Julie Campbell is a proud graduate of Michigan State University, where she earned her bachelor's degree in journalism. While in college, she played a key role in marketing for the football and basketball teams. Julie's love for the game landed her a coveted post-grad internship with the Green Bay Packers, and she soon found herself in the fast-paced world of NFL marketing in New York City.

Despite her success in New York, Julie's heart never left Margate, where she was born and raised. She moved back to join her father's business, where she focuses on

client relationships and operations as a Client Associate.

When she's not busy at work, Julie can be found soaking up the sun at the beach, traveling to new destinations, or hitting the pavement as a long-distance runner. At home, she enjoys the company of her loyal yellow Lab, Harley, who is always up for an adventure by her side.
