Financial Advisor, Portfolio Administrator[®] PFA[®]

Tara Fiber brings heart, curiosity, and a people-centered approach to her role as a Financial Advisor and Portfolio Administrator.

She believes clients describe her as the person who not only helps them shape a strategy but also helps them feel more confident about their financial future.

Deepening her Expertise

A proud Penn State alumna, Tara is always hungry to learn and grow. Tara's career path has been expansive – and we believe that's exactly what makes her so effective.

Before moving into the wealth management industry, she had a career as a realtor, guiding families through one of the most emotional purchases of their lives, and also worked as a Registered Dental Hygienist, where she developed an

incredible ability to listen, teach, and calm nerves, skills she uses daily with clients.

Additionally, she spent three successful years as a financial advisor with Merrill Lynch, where she built her foundation in investing and retirement planning

Outside the Office

Beyond her career, Tara's world includes her husband, Dan, and their two young children, Finn and Mia.

Her happiest days are the ones spent outdoors: long nature walks, impromptu adventures to parks, and family outings to aquariums, farms, and zoos.

Tara believes in being present and finding joy in the simple moments – values she brings into her life, her parenting, and the way she cares for her clients.
